Dear Bernard,

HSC Workshop – English: Creative Writing

I would like to thank you for visiting HJ Daley Library on Wednesday 22 June 2011 and Wednesday 14 July 2011. Your two workshops on HSC English: Creative Writing were well received by the students.

We received very positive feedback from the surveys that were given to students to fill out following the workshops. All the students who attended agreed that the workshop was engaging, insightful and useful for their preparation for the HSC exam.

Once again, thank you for visiting Campbelltown City Library and making the HSC workshop a success.

Yours sincerely
